

Serial No. 10/757,986

Attorney Docket No. 12-039

AMENDMENTS TO SPECIFICATION:

Please replace the paragraph on page 13 of the specification beginning "According to the embodiment" with the following amended paragraph:

According to the embodiments described above, the power transistor 133 and the capacitor ~~131~~ 134 are in contact with the bottom 122 in the casing 131. Nevertheless, devices other than the power transistor 133 and the capacitors 134 may also be in contact with the bottom surface 122.
